Interview for Video Editor

April 2025 to May 2025
2021 to 2024 Graduates

recruitment.chn@syncfusion.com

Job Description

We are seeking a highly skilled Video Editor proficient in Adobe Premiere Pro to produce a variety of video content aimed at enhancing our software products' understanding and use. This role is pivotal in creating clear and engaging video content, including podcast videos, product team demos, soft skill training videos, and animated videos using whiteboard animation software. You will be working closely with our product and training teams to transform complex software concepts and educational content into accessible and visually appealing videos.

Roles and responsibilities:

- Edit and assemble recorded raw material into a finished product suitable for broadcasting. Material may include camera footage, dialogue, sound effects, graphics, and special effects.
- Create visually engaging video content tailored for podcasts, software demos, training sessions, and animated explainer videos.
- Collaborate with product managers, developers, and trainers to understand and translate software functionalities and training concepts into compelling video content.
- Utilize Adobe Premiere Pro for video editing and Adobe Photoshop for creating detailed graphics and visual effects.
- Manage the post-production process, including editing, adding graphics, and ensuring that final videos align with brand guidelines and instructional goals.
- Prioritize and manage multiple projects simultaneously, adhering to deadlines while maintaining quality.

Qualifications / Eligibility Criteria:

- Any Graduation (Preferably a degree in Design, Fine Arts, Visual Communication, or related field)
- Graduates between 2021 and 2024
- Graduates with a minimum of 60% in all academics. HSC is mandatory.
- Experience: 0-3 years. Portfolio is mandatory.
- There should not be any kind of gap between academics.
- Proven experience in video editing with a strong portfolio, ideally including examples of educational, software-related, or corporate video projects.
- Proficiency in Adobe Premiere Pro, Photoshop and OBS Studio, with experience in whiteboard animation software being a plus.
- An interest in corporate filmmaking is an added advantage, enhancing our capabilities in producing professional corporate films.

Benefits:

- Competitive salary and benefits package.
- Opportunities for professional development in a growing company.
- Creative and collaborative work environment.
- Access to the latest tools and technologies.

Interested and Eligible candidates can share your resume and portfolio to recruitment.chn@syncfusion.com on or before May 31st, 2025.

Note: - Those who attended the interview already are not eligible for this interview.
